RE: SANTA BARBARA COUNTY REPUBLICAN CENTRAL COMMITTEE  
ID C00174334

April Monthly 2016

Dear Ms. Benitz:

Please find below our responses to your inquiry.

Item 1.

The expenditures made for Fundraising on Schedule H4 were incorrectly described. We have amended the report with an accurate description of services provided, Executive Director-less than 25% FEA. The committee pays a financial firm that provides an executive director to the committee. There was confusion as to the description of the duties. The services provided were administrative in nature and less than 25% of time was spent on Federal Election Activity.

Sincerely,

Bryan Burch
